Printing/natural forms

Artist focus: Beatriz Milhazes

<http://www.jamescohan.com/artists/beatriz-milhazes/>

Day 1

Am- Children learn to draw natural forms (flowers etc – shapes, lines, repeated patterns)

Pm - Children draw over with tracing paper to create simplified outlines (one version)

Day 2

Am - Research Beatrice Milhazes. Key words: composition, colour, layer, repetition, rotation.

Pm - Children use A3 tracing paper to trace patterns by rotating images.

Day 3

Am - Continue to develop pattern.

Pm - Paper is photocopied. Children go over outlines in black pen. Children reflect on compositions in comparison to Milhazes.

Day 4

Am -Children add colour using felt tip/pencils to create Milhazes-style composition.

Pm – Children develop colour, adding strips of coloured card/paper.

Day 5

Children choose one image/section to print using polyboard.

- Children print onto t-shirt using repeated pattern/rotation.

OR – Children create class wall-hanging by printing their tile in sequence for whole class.
